**ORDER**

All pretrial motions in this case have been referred to the undersigned pursuant to 28 U.S.C. § 636(b) for disposition or report and recommendation regarding disposition by the District Court as may be appropriate. This matter is before the Court on the Joint Motion to Continue Pleadings Deadline [Doc. 8], filed by the defendant on December 4, 2008. The defendant requests that the motion-filing deadline be extended from December 5 to December 22, 2008, in order to allow counsel time to review discovery with the defendant and investigate a possible suppression motion. The motion states that the government has no objection to the requested extension as long as it receives a corresponding extension of its response deadline. Finding the defendant has shown good cause for an extension, the Court hereby **GRANTS** the motion [**Doc. 8**] and extends the deadline for filing motions to **December 22, 2008**. The response deadline is likewise extended to **January 9, 2009**. All other dates in the case, including the pretrial conference on January 13, 2009, at 10:00 a.m., shall remain the same.

**IT IS SO ORDERED.**
